Faculty 2<sup>nd</sup> Thesis Reader (print name)                      Signature                      Date

## D. School Approval

*Approval to Grant Research Option Designation*

\_\_\_\_\_  
Undergraduate Coordinator (print name)                      Signature                      Date

## E. Thesis Electronic Archiving Permissions

### Certificate of Authenticity

I certify that the content of this electronic thesis is the same content approved by my committee.

\_\_\_\_\_ I Agree

### Copyright Statement

I hereby certify that, if appropriate, I have obtained and attached hereto a written permission statement from the owner(s) of each third party copyrighted matter to be included in my thesis, dissertation, or project report, allowing distribution as specified below. I certify that the version I submitted is the same as that approved by my advisory committee.

I hereby grant to Georgia Tech or its agents the non-exclusive license to archive and make accessible, under the conditions specified below, my thesis, dissertation, or project report in whole or in part in all forms of media, now or hereafter known. I retain all other ownership rights to the copyright of the thesis, dissertation or project report. I also retain the right to use in future works (such as articles or books) all or part of this thesis, dissertation, or project report.

\_\_\_\_\_ I Agree

### Availability

My advisory committee and I agree that the above mentioned document be placed in the electronic research option thesis archive with the following status: (choose one)

- \_\_\_\_\_ 1. Release the entire work immediately for access worldwide after my graduation.
- \_\_\_\_\_ 2. Secure the entire work for one year. Access to all portions of the research option thesis will be restricted for a period of one year to all, including the Georgia Tech community. This option addresses situations such as when a patent application is planned, or when proprietary interests are at stake. NOTE: THIS OPTION MAY ONLY BE EXERCISED WITH THE WRITTEN CONSENT OF THE MAJOR PROFESSOR. YOU MAY CHOOSE THIS OPTION, BUT IF NO LETTER IS RECEIVED FROM THE FACULTY MEMBER ACCESS WILL BECOME WORLDWIDE. (This option may be extended if the major professor petitions the library in writing. If no written request for an extension is requested and granted, the thesis will be released after one year without further notice.)

### Abstract

If you have an abstract for this Thesis, please paste it into the box on the online site and limit to 350 words.

## Keywords

Enter keywords and phrases separated by a comma on the online site.

You may also attach a hard copy to this form including the abstract and keywords in addition to submitting on the online site.

## Mentor Approval

I certify that this Research Option Thesis can be available publicly through Georgia Tech's repository, SMARTech (<http://SMARTech.gatech.edu>) and I know of no contractual, proprietary, U.S. government security-related, or other reasons it should be restricted.

## **Thesis Archiving Submission Instructions**

1. Students should send a *copy* of this form showing all required signatures *no later than the last day of finals* to:

Undergraduate Research Opportunities Program (UROP)  
Georgia Institution of Technology  
Mail Code 0740  
ATTN: Research Option  
Atlanta, GA 30332-0740

Students may also hand deliver their form in person to Room 207A, French Building between 8am and 4pm or fax it to 404-385-6940.

*The original will remain with the school.*

2. Students will create an account on the electronic research option thesis website at <http://rothesis.gatech.edu/> and upload their thesis to the electronic research option thesis website after all signatures have been obtained.
3. Upon receipt of the copy of the signed approvals form in the UROP office and student graduation (confirmed by the registrar's office), the thesis will be posted electronically with the library via SMARTech. (Please allow at least 2-3 weeks for posting following graduation).
