**Are you looking for a job for Spring Semester 2008?**

The 1-to-1 Tutoring program is looking for outstanding undergraduate or graduate students to serve as tutors for the spring semester. Our highest demand courses are Calculus, Physics, Biology, Chemistry, Economics, Thermodynamics, Statics, and Dynamics, but we are looking for tutors in all courses, with an emphasis on those at the freshman/sophomore (1000/2000) level .

**SALARY:** Ranges from \$9/hour - \$12/hour based on class standing

**HOURS:** Tutors can work anywhere between 5-10 hours per week and choose their own schedules. Morning, afternoon and evening hours are available

**EXPERIENCE:** Experience in tutoring is helpful but not required.
